

Trustee Corner

Welcome Back to School

As we begin a new and exciting school year, we welcome all our teachers, support staff, students and parents to a year full of new adventures in learning, making new friends and growing in faith. A very special welcome for new staff, students and parents to our Lakeland Catholic Family!

At Lakeland Catholic, we celebrate a growing enrollment which included a 5% increase last year and we are projecting another increase for this 2019-20 school year. We are proud of the results on our District's Accountability Pillar and we are expecting strong Provincial Achievement and Diploma Exam results. Our accountability results continue to demonstrate that Lakeland Catholic Schools offer safe and caring learning environments where students thrive, both academically and socially.

We have had great success with our School Nutrition Program and have expanded this to five schools. The program has been well received in all five schools with students receiving breakfast or lunch each day.

This year will provide us with many challenges and opportunities. We will meet the challenges head on and take advantage of the opportunities provided so that all of our students have the skills, and knowledge that they need to become healthy, happy and successful adults ready to face the challenges of their world. We will strive to meet the educational concerns of our students and parents in ways that demonstrate the love, care and compassion that Christ asks us to bring to every situation in our lives. We will strive to remember that we are God's people called to bring His love to those around us.

Welcome again to the new school year and may the Lord continue to bless us all. As we move into this new school year, let us embrace the many opportunities ahead of us in providing our students with the very best education.

Blessings from the Board of Trustees.
