

Did You Know???

- ✓ The Joint C2 Committee was developed as part of our current legislated contract that expires August 31, 2016.
- ✓ It gets its name from the Framework Agreement section C “Teacher Workload”, #2 “Internal School Jurisdiction Review.”
- ✓ The purpose of the C2 Committee is to reduce teacher workload and improve teacher efficacy.
- ✓ The C2 Committee gathers feedback from staff across the District with respect to teacher workload issues.
- ✓ The Committee meets biannually to discuss and develop a plan to address workload issues.
- ✓ An initial report was developed on Oct. 31, 2013 with recommendations for further study and resulted in a significant number of changes to consider and implement with respect to reducing teacher workload.
- ✓ The Joint C2 Committee operates under the following guiding principles:

To Serve Students:

The Joint C2 Committee will continually seek out system improvements that will ensure we provide the best quality education for our students.

To Serve Teachers:

The Joint C2 Committee will ensure that any proposed internal reviews of jurisdiction-initiated tasks or policies will lead to decisions that reduce teacher workload and improve teacher efficacy through elimination or modification of said tasks or policies.

To Continue Advancing the Government's Vision for K-12

Language within the Alberta Education Internal Review completed on June 28, 2013 states that:

“A fundamental aspect of Inspiring Education is the transformation of education in Alberta to a learner-centered system. Alberta Education wants to ensure teachers have the time to focus on that transformation and on their students.”

The members of the Joint C2 committee will work collaboratively to ensure that teachers employed by Lakeland Catholic School District No. 150 are well positioned to respond to transformation initiatives of the Government of Alberta in a way that increases teacher efficacy without increasing teacher workload.

To Ensure Equitable Representation of Issues:

The Joint C2 Committee will ensure that the issues discussed represent the situation as it pertains to a core group of affected teachers.

To Maintain Transparency in Communication

The members of the Joint C2 committee will actively contribute to meetings through open and honest dialogue that leads to reflective discussion of the issues and their impact on teacher workload and student success.

To Develop an Action Plan:

Decisions made during meetings will ensure that an initial report is completed by October 31, 2013 that includes recommendations for further study and an initial action plan.

- ✓ For further information, please see the links posted on our District website.
- ✓ Co-chairs Julie Norrie (jnorrie@lcsd150.ab.ca) and Vicky Lefebvre (vlfebvre@lcsd150.ab.ca) can be reached by email and thank all involved for their feedback and interest.

LAKELAND CATHOLIC SCHOOLS
BETTER EDUCATION...*It's as simple as that! C'est vrai!*
