Excellence in Catholic Education Award
2011-2012 Recipient: Michele Revoy

BONNYVILLE, AB (April 17th, 2012) - Lakeland Catholic School District provides exceptional education to students that is immersed in the teachings of the Catholic Church. Each year, one teacher is selected by the District to be awarded an Excellence in Catholic Education Award from the Council of Catholic School Superintendents of Alberta (CCSSA). The recipient must demonstrate a strong desire to permeate the Catholic faith into students’ classes and build a spiritually strong school community.

These characteristics are intrinsic of Michele Revoy, Principal at Assumption Jr/Sr High School, this year’s award recipient. Michele has worked with Lakeland Catholic since 1999, and has been Principal at Assumption Jr/Sr High since 2010. Michele is a leader in Faith in her school, bringing her commitment to Catholic Education and passion for her faith to the classes she has taught and to her role as Principal.

One of Michele’s most notable contributions to Lakeland Catholic has been the development of the District’s Social Justice Mission Trips to Mexico. This trip allows high school students to learn first hand about the effects of poverty and injustice. Michele has served as an organizer and supervisor on the four Mission Trips taken by students, and her involvement has been a key factor in ensuring their success.

Michele leads by example and is involved in all activities with students and staff. She always serves as a role model, and goes above and beyond to make sure every student has quality Catholic education that meets their unique needs.

Lakeland Catholic is proud of our choice for the 2012 Excellence in Catholic Education Award, and would like to thank Michele for her many years of service to our District.
